

Big River Big Woods Wild Ones Saint Paul Service Project: Como Woodland Outdoor Classroom EcoSteward Work Days

This is a Saint Paul Parks Volunteer Opportunity for the 2017 season located in the southwest section of Como Park.

Our chapter has “adopted” a parcel in **CWOC**- in the **Oak Woodland** section, indicated by the star below. We will tackle invasive species and nurture native plant communities. Tools are on site, but dress to work in the woods (pants + sox + close-toed shoes) and suggest bringing gloves and water.

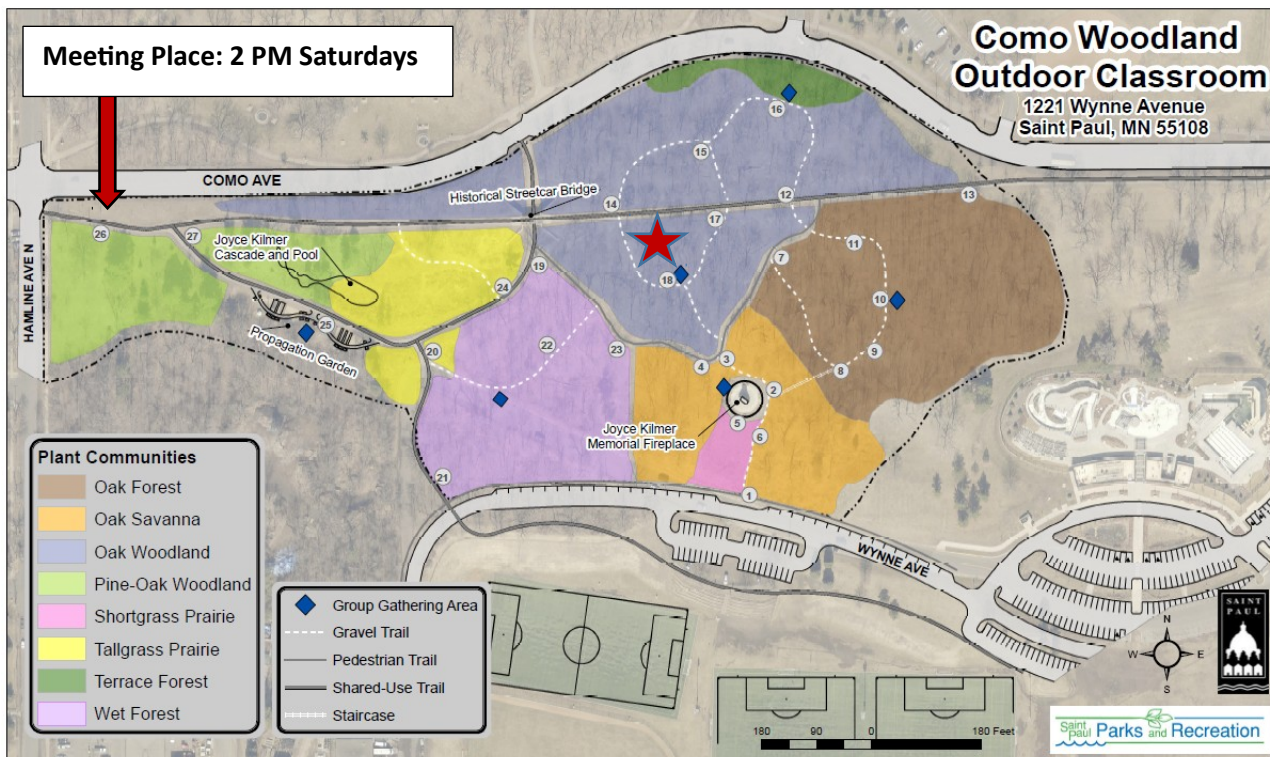

Work Days from 2:00 to 4:30 pm:

Saturdays - May 27; June 10; June 24; July 8; July 22; August 5; August 19; September 9; September 23; October 14.

Available Wild Ones **EcoStewards** will work on seasonal tasks to maintain the assigned parcel. Commitment is flexible, but we hope to get a core team of regular faces.

This project is managed by Saint Paul Parks and Rec. **Wild Ones lead is Judi Petkau 612-578-7385**

2:00-4:30 pm on selected Saturdays May through October

Note: Work day may be cancelled if severe weather- call Judi to check.
