

Wild Ones board Notes June,2017

Attendance: Eva, Liz, Erica, LeAnne, Joe, Carol (and Walter the dog)

May minutes approved.

THANK YOU NOTES- notes to unpaid speakers and generous donors of plants etc. Create cards using LeAnne and Karen plant photos. We're behind on our thank yous. Liz donated some temporary ones until new are created.

TREASURER REPORT: Current balance is \$3,336.29. Plant sale earned \$764.83 in preordered plants, donated plants \$606 and ID tags \$120. LeAnne will contact Como Park about giving a donation.

PROJECT REPORT: It's looking like Island Lake School has been gotten back into to shape under Karen Eckman's guidance and we will see if she is willing to take her team to the Roseville Library. Nichole will be contacted at the library and Eva says volunteers are to enter using the employees entrance.

PLANT SALE Carol reported that next year we could take orders for customized plant flats from Prairie Resto. This would be started with them in January. Next year we will be sure that the paper and online orders forms are the same. Consider asking members to send in photos now of plants they will donate to next year's sale so we can have signage on plants. Carol reported talking with staff at Prairie Resto about the need for individual plants tags in each ordered pot or 6 pack. Ask Cindy our sale member volunteer to become actively involved with sale and possible other jobs.

JULY TOUR: MN Wildflowers – Eva has confirmed the tour date for July 2 at 3:00pm. An email will be sent this week to confirm with membership.

DESIGN WITH NATURE – Eva will be meeting with Marilyn and others this week.

REQUEST FROM LANGTON PLACE – Erica will notify them that we have no current openings for additional projects.

NEXT GROUP MEETING – Sept. 28 - Speaker Julia Bohnem, Spring Peepers Meadows.

SUMMER TOURS – Joe reports few folks have signed up for tours. Promote on Facebook. July 27 – Keller Golf, August 19- Autumn Grove.

PLANT, DIG, AND RELOCATE PROJECT- Villa Park. Erica will notify all when.
