

**Big River Big Woods  
Shoreview Service Project:**

## **Island Lake Elementary Butterfly Garden**

Enjoy time with your kindred spirits while you help restore and maintain a 5-year-old patch of native prairie.

This 36 x36' Eagle Scout project had suffered several years of neglect until August 21<sup>st</sup> last year when our Wild Ones Chapter took it on. Thistles and quack grass are the primary invaders.

**LOCATION:**

Island Lake Elementary School  
3555 Victoria St. N  
Shoreview, MN 55126

The Butterfly Garden is behind the school on Vivian Ave. across from Bobby Theisen Park, just south of County Rd E. It is difficult to see from the road – it is up on the hill near the school playground.

Come when you can; leave when you need to.  
Bring water, gloves, and favorite weeding tool/s.

Schedule: Rain or Shine\*

9 am - noon

**Starts: Saturday May 27<sup>th</sup>**

TFN 1:30 – 4:00 pm help spread mulch

**Saturday Mornings**

**Tuesday Mornings**

\*Except lightening

Call or check Facebook for any changes.
