Volunteer opportunity in Roseville

Join us to help with the children's reading garden. This outdoor area is framed by natural plantings and includes a rain garden as well as a natural prairie.

The garden is used frequently by families with young children who enjoy the fenced in area to safely play outdoors while visiting the library.

Kris O'Brien has done a wonderful job of supporting this project for years. We are in need of help throughout the season. This includes general maintenance, weeding and some new plantings.

Schedule (Rain or shine ☺):

Tuesdays 8:30-10am

If you are interested in another morning we will do our best to accommodate!

Project Leader:

Nicole Brinkman
